Importance: High

Hi Simon,

[REDACTED]

I have had continuing conversations with Ruth Rankine, our DCI and Nigel Sparrow our National Professional Adviser for GP. Additionally we have continued to work with colleagues in NHSE and the local CCG on this matter. Late last week colleagues from the CCG write to Dr B about the video recording etc. This was not received well by Dr B and he has since commented about it on his website and attached the correspondence.

We feel that it is appropriate to continue with this letter and NHSE and CCG colleagues are seeking our support. Ruth, Nigel and I are grateful to you and Rebecca and will accept your offer to send the letter on behalf of CQC. It is possible that he will also publish your correspondence o his website. For this reason I have spoken with comms colleagues in order that they can consider and prepare a reactive statement if required.

Kindest Regards
